

De Luxe Braai

This version comes in models 800, 1000, 1200 and 1500. An Ember maker, spade, top and bottom door, potjie arm, light fitting is additional standard issue items.

The very popular and well-known Home Fires built-in braais can be installed totally indoors enabling excellent entertainment regardless of bad weather. A potjie fitting and various options of grids, steak plates and bread oven, can serve a variety of entertainment needs.

The built-in braais from Home Fires provide home entertainment at its best. The units may be installed indoors or outdoors and guarantee completely smoke-free use. Thus eliminating the irritating smoke always associated with braais. Indoor installation may be used during all seasons and in any weather conditions
